

# UGLY DUCK FUNCTION SUITE

Every event is unique. Follow our step by step guide and plan your party your way. We're always here to help so if your unsure drop us an email to [events@uglyduckpaisley.com](mailto:events@uglyduckpaisley.com) to get started

Our function suite is on the first floor and has space for around 100 guests for a party. Our Bose digital sound system provides crystal clear sound for your guests to dance the night away on the dance floor. The function suite has its own toilets, bar, and access directly to a covered and licensed smoking area. A couple of points to bear in mind are; Our license permits under 18s until 10pm and unfortunately we do not hold 18th birthday parties.

## STEP ONE - ROOM HIRE

Daytime functions are from 12 noon till 5pm and evening bookings are from 7pm onwards. We are licensed until 1am on Fridays and Saturdays.

### WHATS INCLUDED?

Our packages are designed to give our customers a hassle free day, we supply the table covers, chair covers and a statement candelabra centrepiece to add that special touch of elegance to your event. We also provide all cutlery and crockery to go along with buffet. Not to mention the free selfie frame to tag us in your photos!

For any bookings with 80+ guests, as a thank you from us to you, we will give the organiser a £50 Voucher, so that you can come back for a bit of lunch or dinner on us!

## STEP TWO - MUSIC & DECORATIONS

Our playlist has some of the best music to get the party started, or if your happy to plug your own device into our music system you have full control of your playlists.

DJ enquiries can be made directly to [management@break-through.uk](mailto:management@break-through.uk), where the Breakthrough Entertainment can help add the special touch to your night!

- House Music
- Provide your own DJ
- Plug in your own device to our system

The one thing we do ask is that no confetti or glitter is included in any decorations you may want to use. This is including balloons filled with confetti. This is a decision we have decided to make after damage being made to table cloths, chair covers, flooring and tables as the dye from the confetti and glitter stains once mixed with the inevitable spilled drink.
